**“Exploring Illness” online Nov. 14-** Join us in the comfort of your own home as we explore how illness can bring forth transformation and growth of our life in God. Themes discussed will include surrender and trust, vulnerability, and acceptance. This retreat would be a comfort and inspiration for anyone coping with a serious or chronic illness. **Civilize It-** What does it mean to love our neighbors in the midst of such a divisive climate? Catholics are called to bring the best of ourselves and our faith to the public square and yet today, many shy away from such involvement because our national and local conversations are filled with anger and harsh language, often directed at people themselves. As Catholics, we must model a better way. We invite you to model love for neighbor by pledging to Civilize It and committing to civility, clarity, and compassion this election year. Make room in your heart for those with whom you disagree and pledge dignity beyond the debate today at [CivilizeIt.org](http://CivilizeIt.org)! from the USCCB
