Spiritual Direction- As the pandemic continues, may we let go of all that is nonessential and live fully in the moment of this day! May you and your family make the best of what is.... by staying healthy and safe! We are the vine and God is the vinedresser. Here are some reflective questions for your consideration: What kind of a vine are you? How would you describe your vine? What needs pruning or trimming in your spiritual life? How is the Vinedresser shaping and nurturing you during this “covid” time? Where is there exceptional growth? Once again I am willing to offer spiritual direction by phone, email, Facetime or Zoom this month! If you would like to meet in one of these ways, just let me know by email or text! We can set up a time! If you want to send a fee after the session, a check or cash is the best and easiest! Use the address below with my name!
